FLOODPLAIN

Is the site located within an Identified flood hazard area? (Check one) Yes No

If yes, the owner shall verify that any proposed construction and/or development activity complies with the requirements of the National Flood Insurance Program and the Pennsylvania Flood Plain Management Act (Act 166 - 1978) specifically, Section 60.3.

The applicant certifies that all information on the application is correct and the work will be completed in accordance with the "approved" construction documents and PA Act 45 (Uniform Construction Code) and any additional approved building code requirements adopted by the Municipality. The property owner and applicant assumes the responsibility of locating all property lines, setback lines, easements, right-of-ways, flood areas, etc. Issuance of a permit and approval of construction documents shall not be construed as authority to violate, cancel or set aside any provisions of the codes and ordinances of the Municipality or any other governing body. The applicant certifies he/she understands all the applicable codes, ordinances, and regulations.

I certify that the Building Code Official or the Code Official's authorized representative shall have the authority to enter areas covered by such permit at any reasonable hour to enforce the provisions of the code(s) applicable to such permit.
