Re: MS4 – Scottdale Borough
Permit # PAG136135
Scottdale Borough, Westmoreland County

Dear Scottdale Borough:

Enclosed is a report of a site inspection of your township on March 27, 2025. It is important that you carefully read the included report and respond within 90 calendar days as requested on page 2 of the report. The report notes conditions found on pages 1 through 9, which are violations of your NPDES permit and/or the Pennsylvania Clean Streams Law, the Act of June 22, 1937, P.L. 1987, *as amended*, 35 P.S. §§ Sections 691.1 through 691.1001 (The Clean Streams Law). The report may also note conditions that may contribute to or develop into violations of your NPDES permit and/or the Clean Streams Law and therefore need to be addressed. Any violation of the Clean Streams Law is subject to the penalties provided by the law.

This Notice of Violation is neither an order nor any other final action of the Department of Environmental Protection. It neither imposes nor waives any enforcement action available to the Department under any of its statutes. If the Department determines that an enforcement action is appropriate, you will be notified of the action.

If you have any questions, please call me at 724.925.5421.

Sincerely,
